STANBIC BUSINESS INCUBATOR ENTERPRISE
DEVELOPMENT PROGRAM AUGUST 2020

The Stanbic Business Incubator invites applications from Uganda's Small and Medium Sized Entrepreneur's (SMEs) to participate in an enterprise development training aimed at enhancing local SME's capacities and promoting business resilience and sustainability.

Why your business should enroll

The Stanbic Business Incubator provides an enabling environment for entrepreneurs in Small and Medium Enterprises through the following programmes:

- Business Development Services and Business support
- Training and follow-up support interventions
- Networking events, focus group discussions and access to subject matter experts
- Mentoring and coaching for entrepreneurs after formal training
- Provide opportunities for access to markets and access to finance

The next stage of development and support is targeting SMEs in various sectors from Central, Eastern, Western and Northern Uganda to participate in the August 2020 intake.

How to Apply:

Interested SMES in Uganda (Central, Eastern, Western & Northern regions) that would like to be a part of the program can apply through <https://survey.zohopublic.com/zs/u4bf6V>.
